

Re SE-37

1. if a consid of various combinations is desired
Note that SE-27 "conclusions" are a model &
would normally have been followed.

2. total embargo

3. blockade + embargo

4. blockade, embargo, + air interd of key els?
cc rail & waterways...

These are the big ones.

SE-37 cd go into lesser such as a & c
b & c and if IAC desires.

Statement of the prob can either be redone as per
vi T/S or via LB's suggestion in ditto.
note that if you have to you also have equiv
of a. (eg blockade wd have to be VN. wd
carry effective embargo. automatically)

2. fr badly drafted. - herewith a correction.

3. Re chinats of CIA paper as a possible
fr IAC coord.
